

Floral Fundamentals OPEN DAYS 24 and 25 June 2023

This is the list of Partners who are opening their doors to visitors for the first ever Floral Fundamentals OPEN DAYS event on 24 and 25 June 2023. To make it easier for visitors, all of these Partners are situated close to the A4. Each of these Partners is very special and well worth a visit.

Aalsmeer Region

- 1 Marginpar**, Sierteeltstraat 29, 1431 GM Aalsmeer, the Netherlands – venue for ongoing demonstrations (various Ambassadors) / tours / testing lab – world famous for their breakthrough Clematis and very different range of flowers. Each day 3 different Ambassadors will be there to demonstrate throughout the day not at specific times.
- 2 Boerma Instituut**, Legmeerdijk 227, 1432 KA Aalsmeer, the Netherlands – venue for sales of books and sundries / displays / ongoing demonstrations / restaurant – world famous school which gives those of you wanting to shop, something to take home including a massive range of sundries. The restaurant is a well-known vegan venue.
- 3 Vreeken Bouvardia**, Kruizemuntweg 31, 1435 DD Rijsenhout, the Netherlands – Bouvardia – home to the ground-breaking grower family who have some new varieties for you to drool over and some practical tips too.
- 4 Kwekerij de Nachtvliinder**, Paradijsweg 65, 2461 TL Ter Aar, the Netherlands – Helleborus, Asters & plants for sale – famous garden & greenhouse open – one word – paradise. A real plants woman's nursery and home even the roof is planted (or so I am told).

Continue along the A4 and then take the A12 to Nootdorp and Waddinxveen to discover another 2 not-to-be missed Growers.

Return to the A4 and drive towards Westland where you drive towards Westland.

Westland Region

- 1 Ansu**, Middenzwet 22a, 2291 HM Wateringen, the Netherlands - Vanda orchids, Tillandsia and plants – prepare to immerse yourself in the wonderful world of Vanda including a full-scale Thai garden. Passionate growers of top-quality orchids and Tillandsia.
- 2 Lugt Lisianthus**, Boomaweg 3, 2681 RG, Monster – venue for photo shoot / lectures, displays and Lisianthus tour – this is where you will see a full photo shoot in action together with 12 Ambassadors and the work of 15 Ambassadors on display. There are ongoing lectures, demonstrations, displays and a guided tour through the main greenhouse which is nice and warm
- 3 Qualily**, Monsterseweg 14a, 2691 KA 's-Gravenzande - different varieties of Liliium **Saturday only** – this highly innovative grower will reveal which varieties of Liliium should be used for certain projects and clients. This is the grower whose flowers that were used for our Home Stay photo shoots that started a new trend in floristry.
- 4 Beyond Chrysant**, Dwarshaak 36, 3151 XB Hoek van Holland, the Netherlands – Chrysanthemum Baltica white – an amazing family who go above and beyond in their dedication to producing top quality flowers. You will see the entire process which one Ambassador shared on Instagram and brought an astounding number of likes. You won't be able to resist.
- 5 Haas Callas & Helleborus**, Laan van Poot 6, 2678 LG De Lier - Calla and Hellebores – discover how this wonderful grower found out that florists like the more unusual flowers to the point that he supplies extra-long stems of Calla while also producing exquisite Hellebores in his other greenhouse. As he says, if he is asked, he will grow extra-long stems as required.
- 6 Walter Grootscholten**, Woudtzicht 5, 2678 NG De Lier, the Netherlands - Phalaenopsis orchids **Saturday only** – remember the amazing French catwalk and the wall of Phalaenopsis orchids? This is the grower! This is also the grower of the extra-long Phalaenopsis stems that Floral Fundamentals used at the RHS Chelsea Flower Show. A perfectionist if ever there was one – you'll love his story.
